The Afterlife Revealed: What Happens After We Die (Paperback)

By Michael Tymn

White Crow Books, United Kingdom, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.At the very foundation of religious faith and hope is a belief that consciousness will survive death and that we will live on in another dimension of reality. But that foundation easily crumbles when scientific minds are unable to wrap their brains around an afterlife, when they are unable to visualize a non-material world. As the foundation gives way, the philosophy of materialism takes hold and gives rise to moral decadence, egocentricity, hypocrisy, hatred, disorder, flux, strife, chaos, and fear. Such seems to be the state of the world today. There is so much to be found outside the highly guarded boundaries of mainstream science and orthodox religion for those willing to open their minds to it, for those willing to recognize that the dissemination of Truth did not stop with the good books of organized religion and cannot always be found in the laboratory. Beginning in 1848, a number of sensitive people began developing as mediums, bringing forth communications from the spirit world. One of the skeptics investigating the popular madness was Professor Robert Hare of the University of Pennsylvania....
