Trafford Publishing, Canada, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Calling All Souls-You Do Matter! offers a uniquely eclectic collection of prose with a fresh perspective for the new era of enlightenment in religion, law, and science. We compartmentalize church, state, and the media, and so the messages become mixed, blurred, and too complicated to sort out. The traditional family, career, and lifestyle environments have vanished, replaced by our modern society. We are now entering a new era in which we must begin to think for ourselves, invoke our free will, and practice common sense. Calling All Souls-You Do Matter! is a wake-up call with a new take on wisdom, common sense, and the Golden Rule, all blended together to lighten your journey as you begin your soul s work here on Earth. You do matter, you do count and you are loved very much by your Creator. You are very important here on this earth and at this time. Your spirit-soul has been placed here for a reason-to learn something, to share something, to teach something. . You have been blessed with special gifts and talents that only you can open and share with the world. Your gift back is what you have created with your skills and talents. The happiest people in the all world are those who follow their passion.
