

Digital Barbarism: A Writer s Manifesto (Paperback)

By Mark Helprin

HarperCollins Publishers Inc, United States, 2011. Paperback. Condition: New. Reprint. Language: English . Brand New Book. A strange, wondrous, challenging, enriching book.Beautiful and powerful.you will not encounter another book like it. --National Review online In Digital Barbarism, bestselling novelist Mark Helprin (Winter s Tale, A Soldier of the Great War) offers a ringing Jeffersonian defense of private property in the age of digital culture, with its degradation of thought and language and collectivist bias against the rights of individual creators. A timely, cogent, and important attack on the popular Creative Commons movement, Digital Barbarism provides rational, witty, and supremely wise support for the individual voice and its hard-won legal protections.
