Createspace, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Are you tired of lies, broken promises, cheating and emotional game playing? Are you in a relationship so toxic that you re questioning your own sanity, yet can t seem to break away? Have you changed from the happy, confident woman you used to be before you met him, feeling depressed, anxious and insecure? That s my story too. That s life with a narcissist. We live in a world of narcissism but how do you know if your partner really is a toxic narcissist, or whether you should just give it more time and patience? Here are some clues: Has he told you how amazing you are, that he s never felt like this before? How he feels like with you he has won the lottery? How his ex s all want him back but they re all psychos who hurt him too much? Has he romanced you with flowers and gifts, behaved like your perfect Prince Charming? Has he been your dream man in every way, only to suddenly misinterpret something you say and become viciously cold and silent, even to disappear completely for a while? Has he raged in anger over the smallest thing? If he hasn t done so yet, he will. Be prepared. The minute he knows he has you, he will turn. It s a cat and mouse game and he is a master at it. His Prince Charming persona is only a facade; look behind the mask and you will find he is a total fraud. The Love Games is so titled because a relationship with a narcissist is very much a series of control and mind games cloaked within the...
