### **Reviews**

*Completely essential read publication. It is really basic but excitement in the fifty percent of the book. You will not really feel monotony at anytime of your respective time (that's what catalogues are for about in the event you ask me).

## NOTHING (PAPERBACK)

Two Dollar Radio, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. Apocalyptic and psychologically attentive. I was moved. -Tao Lin, New York Times Book Review A marvelously scathing indictment of a generation that has no choice but to burn. From Nothing's outset, [Wirth Cauchon] crafts scenes with complexity and a scary prescience. [Nothing is] a riveting first piece of scripture from our newest prophet of misspent youth. -Paste Like a movie adaptation of Daria as directed by Gregg Araki. The energy almost makes each page glow. Though this novel starts as Bret Easton Ellis, it ends as Nick Cave - thunderous, apocalyptic. The move into the grand and mythic separates Nothing from the usual stuff concerning the bored and the pretty. -Electric Literature Nothing feels like the descendent of the masterful short stories of Denis Johnson's Jesus Son. [A] noteworthy debut. -Bustle A burning mean and darkly mysterious read. -Joy Williams I could tell you that Anne Marie Wirth Cauchon has written an utterly contemporary novel of our fragmented culture, a novel that I think might be the great American novel of the selfie, brilliantly alternating the narratives of two young travelers partying and searching and losing themselves in the wild West a Kerouac hitchhiker juxtaposed with the nihilistic, wanting, wandering Ruth and her toxic friendship with her prettier best friend. But this is what I want to tell you this is what you need to know Anne Marie Wirth Cauchon writes like a beast, brutal and ecstatic. You need to read this. -Kate Zambreno An edgy debut. Cauchon's characters have serrated edges. they'll get under the reader's skin. -Publishers Weekly Claustrophobic. It's August and the hills are on fire and I'm reading Nothing. I see Wirth Cauchon's characters...
