## THE PROPAGATION AND DISSIPATION OF SHEAR ALFVEN WAVES

Condition: New. Publisher/Verlag: VDM Verlag Dr. Müller | The Kinetic Simulations of Plasmas Driven by Alfvén Waves, Using a 2.5D Fully Electromagnetic Particle-In-Cell code | This study of plasmas driven by Alfvén waves (AWs) is based on kinetic simulations using a 2.5D fully electromagnetic Particle-In-Cell code. The code was developed and parallelized to run on parallel computers. (1). We simulated the propagation of shear AWs with long wavelength across the ambient magnetic field. Such waves propagate along the magnetic field and have...
