Fresh Start: Family Culture Builder for Household Executives: How to Maintain Open Parent-Child Communication in a Cyber-Powered World (Paperback)

By Joanna Marie Jullien

Joanna Jullien, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.We live in a fast-paced technological world, constantly connected in ways we never have been before. But just as computers, smartphones, and digital devices have opened up the lines of communication and made everyday tasks easier, they also pose a host of new challenges to parents and families. How much screen time is too much? What do I tell my child about online bullying? How can we build a relationship of open trust and communication as a family? These are just some of the topics addressed in Fresh Start Family Culture Builder for Household Executives, a parenting guide written specifically for today's hyper-connected world. While building an understanding of the current technology-based culture, it encourages parents to establish a foundation of trust and security through smart boundary setting and discover new ways to deal with the unique issues children may face while navigating the online landscape. The result is a simple and effective guide to strengthening your family relationships and empowering kids to be capable and thoughtful users of modern technology in an era buzzing with countless distractions. Fresh Start promotes...
