ON CALL RADIOLOGY (MIXED MEDIA PRODUCT)

Apple Academic Press Inc., Canada, 2015. Mixed media product. Condition: New. Language: English . Brand New Book. On-Call Radiology presents case discussions on the most common and important clinical emergencies and their corresponding imaging findings encountered on-call. Cases are divided into thoracic, gastrointestinal and genitourinary, neurological and non-traumatic spinal, paediatric, trauma, interventional and vascular imaging. Iatrogenic complications are also discussed. Each case is presented as a realistic clinical scenario and includes a clinical history and request for imaging. Multi-modality imaging examples and a case discussion on the diagnosis and basic management, with emphasis on important radiological findings, are also presented. This book combines a case-based discussion format with practical advice on imaging decision making in the acute setting. It also offers guidance on radiology report writing and techniques, with a focus on relevant positive and negative findings to pass on to referring clinicians. On-call Radiology offers invaluable knowledge and practical tips for any on-call radiologist.
