Reviews

*Undoubtedly, this is actually the very best job by any writer. It is loaded with wisdom and knowledge You will not really feel monotony at anytime of your respective time (that's what catalogs are for concerning when you check with me).
(Prof. Lawson Stokes IV)*

THE REAL CULTURE WAR: INDIVIDUALISM VS. COLLECTIVISM HOW BILL O REILLY GOT IT ALL WRONG

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.In his book Culture Warrior, Bill O Reilly--the host of the Fox News Channel show The O Reilly Factor --incorrectly characterizes the Culture War as a social, political, and intellectual struggle between traditionalists and secular-progressives. THE REAL CULTURE WAR analyzes, dissects, and discredits Bill O Reilly's conception of the Culture War and argues that he gets it all wrong. His traditionalism and secular-progressivism are merely two heads of the same collectivist beast. THE REAL CULTURE WAR pits Individualism versus Collectivism. Individualism states that human beings have intrinsic value and possess the natural rights to life, liberty, and property. This view was held by the Founding Fathers. Collectivism states that human beings only have value in virtue of their relationship to the collective. This view was held by the Philosopher-Kings (PKs)--tyrannical leaders who view themselves as enlightened and exempt themselves from the draconian laws they force upon others. PKs discussed in THE REAL CULTURE WAR include Mussolini, Hitler, Stalin, and Mao as well as American leaders Theodore Roosevelt, Woodrow Wilson, Herbert Hoover, Franklin D. Roosevelt, Al Gore, George W. Bush, and Barack Obama. The intellectual, historical, and empirical foundations of Individualism and Collectivism are examined, and it is argued that logic and reason establish that Individualism is the superior worldview because Individualism naturally leads to peace, prosperity, and freedom whereas Collectivism invariably leads to war, poverty, and tyranny. Specific formulations of Collectivism--Communism, Fascism/Nazism, Progressivism, Environmentalism, Neoconservatism, Racism, Religionism, Corporatism, and Labor Unionism--are fully exposed and critiqued. Next, an alternate conception of government in the form of the Individualist State is developed and defended while building the Night-Watchman State from first principles. Within this Minarchist State is a system...
