

The Tidal Model: A Guide for Mental Health Professionals (Hardback)

Filesize: 8.74 MB

Reviews

This book can be worth a read, and far better than other. I could comprehend every little thing using this published e pdf. You can expect to like how the blogger publish this pdf.

(Rylee Funk)

THE TIDAL MODEL: A GUIDE FOR MENTAL HEALTH PROFESSIONALS (HARDBACK)**DOWNLOAD**

Taylor Francis Ltd, United Kingdom, 2005. Hardback. Book Condition: New. 236 x 160 mm. Language: English . Brand New Book ***** Print on Demand *****.The Tidal Model represents a significant alternative to mainstream mental health theories, emphasising how those suffering from mental health problems can benefit from taking a more active role in their own treatment. Based on extensive research, The Tidal Model charts the development of this approach, outlining the theoretical basis of the model to illustrate the benefits of a holistic model of care which promotes self-management and recovery. Clinical examples are also employed to show how, by exploring rather than ignoring a client's narrative, practitioners can encourage the individual's greater involvement in the decisions affecting their assessment and treatment. The appendices guide the reader in developing their own assessment and care plans. The Tidal Model's comprehensive coverage of the theory and practice of this model will be of great use to a range of mental health professionals and those in training in the fields of mental health nursing, social work, psychotherapy, clinical psychology and occupational therapy.
