## THE CHARISMA CODE: COMMUNICATING IN A LANGUAGE BEYOND WORDS (PAPERBACK)

White Cloud Press, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. The Charisma Code offers a wealth of tools for resolving conflict, inspiring engagement, and changing culture. --Tony Hsieh, CEO, THE ERA OF GLOBAL CITIZENSHIP IS HERE. While we know the next big innovations will spring from global culture, it's not always clear how to join this planet-without-borders conversation. The Charisma Code is a handbook for connecting across cultures. The best connectors are the biggest influencers, and those who influence culture change the world. The key is unleashing your inner soul force----your charisma----to attract, connect, engage and bring value to your relationships. In her barrier-breaking book, cultural anthropologist, Robin Sol Lieberman, reveals how anyone can tap the language beyond words to build bridges, open doors, or start revolutions. As Marianne Williamson, author of A Return to Love, says, The Charisma Code unlocks some best-kept secrets regarding living and leading from a power within us all. The Charisma Code inspires readers to choose courage over comfort, compassion over ignorance, and freedom over fear. Charisma helps communicate who you are--the most engaging tool you can use when inviting others on your ride!.
