POPULAR TROPES OF IDENTITY IN CONTEMPORARY RUSSIAN TELEVISION AND FILM (HARDBACK)

[DOWNLOAD PDF](#)

Bloomsbury Publishing PLC, United States, 2017. Hardback. Condition: New. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. This book is an exploration of the changes in Russian cultural identity in the twenty years after the fall of the Soviet state. Through close readings of a select number of contemporary Russian films and television series, Irina Souch investigates how a variety of popular cultural tropes ranging from the patriarchal family to the country idyll survived the demise of Communism and maintained their power to inform the Russian people s self-image. She shows how these tropes continue to define attitudes towards political authority, economic disparity, ethnic and cultural difference, generational relations and gender. The author also introduces theories of identity developed in Russia at the same time, enabling these works to act as sites of productive dialogue with the more familiar discourses of Western scholarship.
